

# Mimansha Jha

mimansha1600@gmail.com | 7001274757 | Chennai, India

## Summary

Innovative Web Development/UI-UX Student with experience in front-end and interface development, including HTML5, CSS3, JavaScript, PHP. Strengths include quick thinking and problem-solving skills. Detail-driven individual with the intention of exceeding expectations and improving project growth.

## Education

<b>SRM Institute Of Science and Technology</b> B.Tech · Computer Science with Business Systems · Chennai	Sep 2022 - Present 9.06
<b>North Point Senior Secondary School</b> 12th · CBSE · Kolkata	Apr 2021 - Jun 2022 379/500
<b>The Cambridge School</b> 10th · IGCSE · Kolkata	Apr 2019 - Mar 2020 559/700

## Experience

<b>Bharat Intern</b>   <a href="#">Welcome Letter</a> Web Development · Intern · Virtual Internship Program	May 2023 - Jun 2023 Online
<b>Google For Developers</b>   <a href="#">Certificate</a> Android Developer Virtual Internship · Intern · Learning	Apr 2023 - Jun 2023 Online

## Projects

<b>Sports League Management</b> · Python, OOP, MySQL Mini Project - utilized Python for data structures, OOP, file handling, and automation, and MySQL for database design, querying, and data management in the Sports League Management project.	- SQL
<b>Dual Axis Solar tracker</b> · Arduino 'Best Working Model' at TechKnow Contest - utilized skills in microcontroller programming, sensor integration, motor control, and circuit design to optimize solar panel orientation for maximum energy efficiency.	- Semi-Conductor
<b>Self Tracking Line Car</b> · Motor Driver Circuit Applied skills in microcontroller programming, sensor integration, motor control, real-time processing, and circuit design to create autonomous line-following vehicles.	- Microcontroller Programming
<b>Integrating Sustainability into Corporate Strategy: A Path to Long-Term Competitive Advantage</b> Dr. Nagalakshmi M.V.N. (Corresponding author) · Management & Implementation	Sep 2024 - Present Business Strategy
<b>Portfolio</b> · CSS, JS	Jun 2024 - Present Web Development

## Certifications

<b>Introduction to Data Analytics course</b>   <a href="#">Certificate</a> IBM · V2TDONGF9Z3D	Dec 2024 -
--	------------

<b>AWS Machine Learning Foundations Course</b>   <a href="#">Certificate</a> AWS	Feb 2024 -
<b>Networking Basics</b>   <a href="#">Badge</a> CISCO	Oct 2024 -

## Volunteering

<b>Raynagar Free Primary School</b> Volunteer · Community Connect	May 2024 - Jun 2024
--	---------------------

## Competitions

<b>French Word Power</b> First · Quebec Government Office, Mumbai	
<b>Concours Romain Rolland</b> Finalist · Alliance Française de Normandie, France	
<b>Techknow Contest</b> Winner · SRM Department of Nanotechnology	Feb 2023

## Conferences and Workshops

<b>Activation Workshop on Metaverse and Extended Reality</b> AICTE	
<b>Design and Develop Workshop for UI/UX</b> Google Developer Student Clubs · SRM	

## Extra Curricular Activities

<b>SRM MUN Society</b>	Oct 2023 - Aug 2024
<b>Next Gen AI</b>	Oct 2024 -

## Skills

Python, C/C++, HTML/CSS, Java, SQL, UI/UX
---

## Languages

English [Professional Working Proficiency], Hindi [Native Proficiency], Bengali [Limited Working Proficiency], French [Elementary Proficiency], German [Fundamental Proficiency]
